Englishman Showed Superb Form and Will Be a Hard Nut for Whitman to Carelle a Hard Nut for Whitman to Carell

(Special to The Evening World.)

THE CASINO, NEWPORT, Aug. 25.—
With the same old game that has caused the downfall of so many American lawn-tennis experts, H. L. Doherty, chompion of all England, defeated Leo superb angle shots forged ahead at 3-2, after several bits of terrific play.

E. Ware, the Harvard veteran, this morning in three straight sets. The score was 9-7, 6-1, 6-2. This brings both of the Dohertys into the single round of the national championship tours and of the national championship tours and the property was within a lord Badge

Whitman is not in good trim and not at all in the condition he was when he played at Bay Ridge. The general feeling is now expressed in the betting of 3 to 2 that the Britons will capture the American singles championship.

Portentous changes seemed to be in the airs this morning before H. L. Doherty and Ware began their match. It was started by Whitman, who has declared that in the event of his winning the all-comers' tournament he will not play William A. Larned for the championship. The committee has started to argue the matter with Whitman, and he may be persuaded to change his mind. Then, as R. F. Doherty has virtually broken his training by going too deeply into the social pleasures of gay Newport, the Britons have decided to not H. L. Doherty a Wonder.

The third set began with Ware showing better form. This gleam of life was short-lived, however, for the English champion began to do some court-covering that was a revelation.
